The HO scale Patcong Valley Model RR Club is in Richland, NJ, on Route 40 about 10 miles west of Mays Landing, NJ, near mile post 38.5. We are on the south side of the highway, directly across the road from Richland Carpet.

For a web search, look for Route 40 (Harding Hwy) and Fir Avenue.

Come to see highly detailed HO Scale models of many different trains, operated on a large realistic model railroad thru beautiful scale scenery of Western PA and Eastern NY State. This is a coal country bridge route. We operate 6 to 8 trains at a time using DCC technology with sound.
