

A Petition in SUPPORT of the efforts of Senators Jeff Van Drew and Christopher Connors to bring a Veterans Medical Facility to South Jersey

We, as voting members of the New Jersey public, support the efforts of Senator Jeff Van Drew, Senator Christopher Connors, Senator Jim Whelan, Assemblyman Nelson Albano, Assemblyman Matt Milam, Assemblyman Brian Rumpf, and Assemblyman John Amodeo, who have expressed interest in bringing a veteran's medical facility to South Jersey. After storming the shores of Omaha Beach, surviving the destruction of Pearl Harbor, fighting for freedom in Vietnam, Cambodia, Korea, Iraq and Afghanistan, South Jersey veterans deserve the best possible care that we can provide them.
