## Cains Mill Road Project Moves Forward

\$300,000 worth of improvements are now underway on Cains Mill Road in the Collings Lakes section of Buena Vista Township. State of New Jersey Municipal Road Aid Grants from 2008 and 2009 are being used to fund improved drainage, sidewalks and repaving the roadway. New gas mains were recently installed by South Jersey Gas on the entire length of Cains Mill Road through to Jackson Road. New gas mains are also being installed on Cedar Lake Drive and other areas of Collings Lakes.

## New Local Road Program Approved in Buena Vista

The Township Committee has approved \$950,000 in local road improvements throughout our community. 15 local roads are set for partial or complete repaving this summer.

## New Walking Trail Planned at Newtonville Park

The Township Committee has approved a new walking / jogging trail at Wilder Hines Park / MLK Center in Newtonville. The path will be similar to a popular trail located at Michael Debbi Park in Richland. The project is expected to be completed later this summer.

## Cape May Seashore Lines Train Now Running from Richland Village Station

The Cape May Seashore Lines excursion train has returned to Richland Village every other Saturday till October. Trains will run on 7/11, 7/25, 8/8, 8/22, 9/12, and 9/26. The train will run every Saturday in October through December. More details can be found at [www.capemayseashorelines.org](http://www.capemayseashorelines.org). The train is a great opportunity to travel back in time to discover the Pinelands and a trip across the Tuckahoe River.!
